

NEED HELP?

Invites you to experience
What we can do for you and your loved one.

At St. Agnes we have a Therapeutic Centered Adult Day Care Program
Based upon the cutting edge approach of care for those with memory issues.

Some of our special programs include:

Dementia Care Mapping

This pinpoints specific areas of need for each individual participant

Environment Design

Which specifically meets the needs of the memory challenged individual

Latest Technology Programming

Designed to help the memory challenged individual focus on cognitive and physical function

Caring Staff of Professionals and Volunteers

Create a ratio of 4 to 1 which maximizes communication and care for each participant

Experience for yourself!
